## THE GIN RENNAISANCE

Our Gin collection embraces the Australian craft gin movement. Showcasing small distilleries and celebrating the people and places that make them unique.

We are particularly proud of the burgeoning Tasmanian Gin industry and believe our island is an ideal environment to create a stunning spirit.

We also stock a delicious range of Gin from around the World.

You can enjoy your Gin neat, on the rocks or with our house-made tonic.

## TASMANIAN TONIC

Our house-made tonic is prepared fresh on-site from all natural ingredients including cold extracted citrus, spice and cinchona bark which contains the all essential quinine.

Our Tasmanian Tonic contains minimal sugar and is designed to highlight the subtle botanicals found in artisan Gin.

For those who prefer we also stock commercial tonic water.  
Served upon request.
