

GIN

Distilled alcoholic spirit flavoured with juniper berries

Synonym: Mother's ruin

The Oxford Dictionary 2017

THE GIN RENNAISANCE

Our Gin collection embraces the Australian craft gin movement. Showcasing small distilleries and celebrating the people and places that make them unique.

We are particularly proud of the burgeoning Tasmanian Gin industry and believe our island is an ideal environment to create a stunning spirit.

We also stock a delicious range of Gin from around the World.

You can enjoy your Gin neat, on the rocks or with our house-made tonic.

TASMANIAN TONIC

Our house-made tonic is prepared fresh on-site from all natural ingredients including cold extracted citrus, spice and cinchona bark which contains the all-essential quinine.

Our Tasmanian Tonic contains minimal sugar and is designed to highlight the subtle botanicals found in artisan Gin.

For those who prefer we also stock commercial tonic water.
Served upon request.

GIN TASTING PLATTERS

A wonderful way to taste and compare different spirits. We recommend one tasting platter per person, which includes four 15ml measures of gin. Each gin is served with a unique garnish, designed to highlight key botanicals and our Tasmanian Tonic is served on the side for you to mix at your leisure.
