

# WHISKY

---

A spirit distilled from malted grain, especially barley or rye

*synonym: the water of life*

The Oxford Dictionary 2017

## LIQUID GOLD

*We love whisky and are lucky enough to live and work with some of the most talented, passionate and innovative distilleries in the world. We are passionate about Tasmanian whisky and would love to recommend you a good dram.*

*We are also excited to offer a large range of Scottish single malt and quality tipples from around the world.*

*We serve whisky neat.*

*If you prefer, we can happily provide ice and water on request.*

## WHISKY TASTING PLATTERS

*A wonderful way to taste and compare different spirits. We recommend one tasting platter per person, which includes four 15ml measures of whisky (2 standard drinks). Each dram is served neat, we recommend sniffing and tasting your whisky before adding a few drops of filtered water, to enhance your drinking experience.*
